

## **Beef Processing Steps**

1. Thank you for your interest in buying a whole or half beef. Not only are you getting delicious and healthy meat, but you are also helping me to earn money for college. If you would like to proceed, here are the easy steps that we will follow.
2. Mail or deliver your nonrefundable deposit to Lilly Figueroa (half beef/\$250 or whole beef/\$500). My address is 13036 Road 40, Mancos, CO, 81328.
3. At least a week before your steer is delivered to SunnySide Meats, you will need to call them at 970-385-0230 or fill out an online form through their website ([sunnysidemeat.com](http://sunnysidemeat.com)).
4. Let them know what cuts you would like and that you are ordering a half or whole USDA beef from Lilly Figueroa (producer). For more information about beef cut choices, please visit my website.
5. Steers are usually delivered to Sunnyside Meats in September or October. Please contact me for the exact date.
6. SunnySide will give me the hanging weight on the delivery date. I will contact you with this weight and you will then pay me the remaining amount of \$3 per pound hanging weight (minus your deposit). This must be paid to me before you can pick up your meat from Sunnyside.
7. Sunnyside Meats will call you when your order is complete (about 4 weeks after drop off). Please pay them at this time.
8. SunnySide will have your meat in boxes for easy pick up. If you need help picking up your frozen beef packages/boxes, please let me know. We can deliver meat to Cortez, Mancos and Durango.
9. I am happy to talk with you if you need more information or have questions ([bluejaybar7t@gmail.com](mailto:bluejaybar7t@gmail.com) or 970-769-4004).
10. Thank you so much!
